

Nail Clipping

& Ear Cleaning Clinic at:

Sunday, December 9th & 16th

10:00 am to 11:30 am

No Appointment *****All dogs must relieve themselves outside store before being***
brought in. We have found when dogs get nervous, and there are other dogs around in store, they
have been marking. When a dog "Marks" in the store it creates future marking by other dogs &
damage to inventory. Thank you for your cooperation.
