

Hey **NEIGHBORS!**
Let's **PUMP UP**
the **SAVINGS!!!**

Two neighbors schedule for same time
receive **5%** off of their pumping services*!

Three plus neighbors schedule for same time
receive **10%** off of their pumping services*!

**Discounts available to NEIGHBORS who schedule
to have their tanks done at the same time!**

* If extra labor is required to properly service, additional fees may apply at discretion of Technician on site.
This is a taxable service, and includes our basic inspection of the tank, cleaning, report and map. Based on the
conditions, we'll determine frequency of cleanings, and send you a reminder when due again.

Payment is due at the time of service, cash check or CC accepted.

Not sure of where your tank is located? We provide locating and excavation services as well!
