HOME MONITORING SYSTEM

Peace of Mind You Can't Beat.

Upstate Energy Inc. supplies a home monitoring system to alert you if your heating system fails. This system will alert us if your fuel level is low, the temperature drops, or if the power goes out - which gives the customer a piece of mind while away!

- * Easy installation on all heating systems
- * Low-cost service and installation
- * Sends alerts via standard phone lines, DSL, VOIP and digital cable phone
- * FCC approved Home Monitoring System
