

Ye Olde Candle House *Gift Shoppe*

ABOUT THE CANDLE HOUSE

It's difficult to imagine that candles were once our only source of light after dark before electricity. Today, candles provide comfort in times of sadness; are the perfect complement in celebrations; scent our space and enable us to relax.

Sonya, whose passion for candles began at the age of 15, opened Ye Olde Gift Shoppe in 2015. Also known as the Candle Lady, Sonya has established herself as a trusted source for made in the USA high quality candles and offers a shopping experience away from the stress of crowded malls in a relaxed atmosphere with old world charm décor and music.

So if you're tired of being disappointed with scented candles that smelled great at the store but never lasts once you light them? Stop by & try one, you will not be disappointed. We offer high quality, long lasting soy and beeswax candles in a variety of scents and styles to satisfy even the most discerning candle lovers.
