

Greetings,

I would like to announce that I have become a Licensed Real Estate Sales Person. I am proud of myself!!

I have owned and operated Montgomery Florist in Montgomery, NY for 27 years. Before that I worked and grew up in a family owned floral business..Rosemary Flower Shop in Wappingers Falls, NY. Perhaps some of you have heard of it as it has been in business now for 68 years!! I know flowers and property don't have a lot in common but business is business and I know what customer/client service means!!!..I have had the opportunity to proudly serve many of you as a florist now I am upping the bar and would love the opportunity to assist you in your real estate needs.

I'm a musician and novice photographer .I am the loving parent of a special needs individual ,his name is Jacob, he has autism and he is my world!! I would love the challenge of finding the perfect home for the parents of special needs individuals. It's a situation close to my heart.

I have the support of of one of the best brokerages in the business, Curasi Realty. They are nothing short of world class ,paying strict attention to detail and full customer/client service..I look forward to the pleasure of assisting you any way I can, and to the future..

With all sincerity,
Stephen Morgan
